SEO 101  
Dos and don'ts

Do

- Use keyword in your title
- Use keyword in at least one H2
- Keep your content skimmable
- Write longform content

Don't

- Keyword stuff
- Add in keyword misspellings
- Pay for backlinks
- Add in fluff to up your word count content

SEO is not only about search engines but good SEO practices improve the user experience and usability of a website.
